**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Affordable broadband is critical to my profession and a significant contributor to my children's education.

Please hold the line in holding these large players accountable to the American people. If they are allowed to reinforce a cartel of large players they can stop investing in their services and raise prices because consumers will have no alternatives. Please be our advocates.
